

What does Luna Children's Charity do?

We train and support local people who are working with children and young people traumatised by conflict, violence and disaster in an innovative child-centered technique to relieve the symptoms of post-traumatic stress disorder (PTSD), and help these children and young people to move forward with their lives.

We also provide trauma and child rights training as well as practical skills and resources to those caring for traumatised children and children living in poverty through our special child rights projects, to improve the quality of these children's lives.

How can you help?

We rely almost entirely on donations from the public to continue our work and we welcome all support. Here are some suggestions for how you can support us...

Make a regular gift to Luna

Making a regular donation to Luna by Direct Debit means that you can make a difference to the children we are helping every single month!

A regular gift is the best way to support Luna as it gives us the confidence and ability to plan ahead, and saves administration costs. To set up a regular gift to Luna, please visit www.justgiving.com/luna

Make a one-off donation to Luna

There are two ways you can make a one-off donation to Luna:

You can **donate online** with a debit or credit card by visiting mydonate.bt.com/lunachildrenscharity

You can **donate by post** with a cheque (payable to Luna Children's Charity). To send us a gift in the post, please complete the tear-off form at the back of this leaflet and return to the stated address.
